PRODUCT LITERATURE

SUPERFRESH-LAVENDER

Product Information

Superfresh-Lavender is a new odour absorbing & refreshing finish. Superfresh-Lavender imparts durable fragrance to the fabric. Durability of the finish can be further improved by the addition of binder in the recipe. Fragrance is released from micro capsules due to abrasion which occurs under normal wearing condition. Superfresh-Lavender is applicable on synthetic and natural fabrics.

Key Features & Benefits

Key Features	Benefits
Durable	Withstands several home launderings
Versatile	Applicable by padding, exhaust, spray and coating techniques

General Characteristics

Physical appearance	: Off white to white liquid
Ionic nature	: Weakly Anionic
pH of 1% solution	: 7 +/- 1
